

Vertical Blinds

Privacy

Light Control

Easy To Use

Transform your living spaces with the versatile and stylish Vertical Blinds, a timeless window dressing that adds a touch of class and functionality to any room.

You'll love the versatile control systems we offer, allowing you to tilt the blades and adjust light direction with a beaded chain and cord. Alternatively, choose the Traversing Wand option for smooth and effortless operation. Vertical blinds can be stacked to the left, right, or even split down the center, making them an excellent choice for larger windows and doors.

Effortlessly control heat, light, and privacy through our sleek and modern design, featuring the Ultimate Track System. Our Edge Vertical Systems are specifically tailored for Australian conditions, offering flexibility, durability, and efficient solar protection.

With meticulous craftsmanship and high-quality materials, our Vertical Blinds are built to last and come with a 5-year warranty, ensuring peace of mind for years to come. Enjoy the modern lines and gentle flow they add to your space, making them an attractive and functional window dressing.
